Re: The Knit With v. Knitting Fever, Inc. et al. and  
The Knit With v. Eisaku Noro & Co., Ltd., et al.  
Civil Action Nos. 08-cv-4221 and 08-cv-4775 (consolidated)

Dear Judge Buckwalter:

Yesterday, Defendant Knitting Fever, Inc. filed its response to Plaintiff's "Rule 12(h) Suggestion." As we explain in that submission, we believe the Court continues to have jurisdiction over KFI's counterclaims.

We are in the process of researching and consulting with our clients regarding the issues the parties discussed with the Court at the September 24 conference. We respectfully request until October 19 to report back to the Court with a status update. (One factor that may impact the logistics of proceeding with a trial of the counterclaims is that KFI is scheduled to begin its trial with Cascade Yarns, Inc. in the Western District of Washington on November 5. The court in that action suggested that it will issue its rulings on pending summary judgment motions by October 12).

Respectfully,

A handwritten signature in blue ink, appearing to read "Joanna J. Cline".
